## A Letter from the Oval Office

Welcome all to the 06/07 season. Good to see some fresh new faces at the AGM and catching up with the old ones. Seems to be plenty of hype and anticipation for the upcoming season. The Rock Solid Super Series is nearly finalized, we are hoping to wangle a bit more tow money to help with spiralling fuel costs. Good to see the class becoming a bit more professional in it's approach to racing, like more shiny bits and improved presentation. It looks like the blokes wont be getting it all their own way with Kristine Keir in the #47 car getting some gender support from Kelly Banks in her new car with her Dad Norm operating the spanners. As we all know the last couple of years have been great for the club both racing and socially, let's endeavour to progress in that direction. Finally I would like to thank the old committee, especially the top of the tree Gary, Pat and Mal for making my transition into the President's role a whole lot easier.  
Cheers from Chris Milton

## MMS Club Sponsorship

**Would you like to renew your MMS Club sponsorship for the upcoming season?**

**Do you know of an organisation that would benefit or be interested in becoming a MMS Club sponsor?**

**Can you help the club and track down potential MMS Club sponsors?**

Remember that all MMS Club sponsors receive a colour copy of this monthly newsletter that will keep them informed with all the latest information and racing results. Not only will the sponsor be recognised by way of an ad in each issue of the newsletter but will also have their business artwork displayed on our very popular website for the world to see. Most important of all is the fact that sponsorship will help the MMS Club to advance progressively into next season and propel it into the future.

Please contact either the MMS Club President on (03) 5678 8409 or the newsletter editor on 0438184 009 (email [pdesign7@bigpond.net.au](mailto:pdesign7@bigpond.net.au))

## 2006/2007 License Requirements

It is important to get our license and insurance organized as early as possible so that our season can commence smoothly. Remember you **MUST** be a club member prior to obtaining either a VSC or NASR License. Drivers in our class will definitely require a VSC license as most of our events are on VSC tracks including most of the Super Series and the State Title. We will require a NASR license for at least the Horsham round of the Super Series and perhaps even Hamilton (not 100% confirmed at this stage). A maximum of TWO NASR one day licenses can be issued at \$30 each provided they have been applied for at least seven days prior to the event; otherwise they can be fast tracked at \$50 each.

## VSC licensing notes

For drivers renewing a license their medical for the past two years is valid, medicals are compulsory for all NEW drivers this season. EVERY driver will require a new medical for the 2007/2008 season.

All applications including pit crew passes will require the inclusion of TWO passport type photos.

Ambulance scheme number and expiry date must be included.

If you do not require VSC Accident Fund Cover you **MUST** supply evidence of a current personal accident policy recognized for speedway racing.

Full VSC licenses (including Accident Fund Cover) cost \$90.  
VSC license (not including Accident Fund Cover) cost \$45.

### NASR licensing notes

A new passport photo is required if the current one used on prior licenses is more than three years old.

All applicants aged over 40 MUST provide a current medical examination form, applicants aged under 40 you can use a COPY of a prior examination provided it is NOT more than 15 months old. A new medical will be required if a copy is unavailable.

A current Health Statement (located on the back of the Medical Examination form) MUST be supplied by all drivers.

Full NASR (A Class) licences with NASR insurance cost \$140.

### NASR vs VSC - Something to consider

Is the NASR insurance cover more comprehensive than that provided under the VSC Accident Fund Cover?

An opinion received by the club is that the NASR cover is **insurance** whereas the VSC cover is only **assurance** which they are not obliged to pay in all circumstances. EACH driver needs to make their own decision and take responsibility for that decision.

### Pricing Options

Full NASR and VSC license :  
\$140 + \$45 = **\$185** (plus medical if applicable)  
Full VSC and 1 x NASR one day license :  
\$90 + \$30 = **\$120**  
Full VSC and 2 x NASR one day licenses :  
\$90 + \$60 = **\$150**
