Scrutineering Day Thankyou

The scrutineering day held last month was an opportunity for club members to have their cars inspected prior to registration and to get their necessary licence paperwork sorted out. The club greatly appreciates the efforts of Danny Milton for making his premise available, Murray Miles for his scrutineering skills, Russell Harrison for doing the registration and licensing paperwork along with the others who helped out with other stuff including the sausage sizzle.

MMS Club Sponsorship

Would you like to renew your MMS Club sponsorship for the upcoming season?

Do you know of an organisation that would benefit or be interested in becoming a MMS Club sponsor?

Can you help the club and track down potential MMS Club sponsors?

Remember that all MMS Club sponsors receive a colour copy of this monthly newsletter that will keep them informed with all the latest information and racing results. Not only will the sponsor be recognised by way of an ad in each issue of the newsletter but will also have their business artwork displayed on our very popular website for the world to see. Most important of all is the fact that sponsorship will help the MMS Club to advance progressively into next season and propel it into the future.

Please contact either the MMS Club President on (03) 5678 8409 or the newsletter editor on 0438184 009 (email pdesign7@bigpond.net.au)

2006/2007 License Requirements

As we near the start of our race season it is **EXTREMELY URGENT** to get your license and insurance organized. Remember you must be a club member prior to obtaining either a VSC or NASR License. Drivers in our class will definitely require a VSC license as most of our events are on VSC tracks including most of the Super Series and the State Title. We will require a NASR license for at least the Horsham round of the Super Series and perhaps even Hamilton.

The Horsham track had this reply to our inquiry regarding pit crew insurance requirements: "The VSC accident fund is not acceptable as we have a personal accident minimum and unfortunately the VSC accident fund is only a discretionary fund and therefore not classed as personal accident insurance. Pit crew people can pay a \$35 entry to the pits, it includes a one day pit pass and personal accident insurance"

This information may also make one think twice about the VSC accident fund as compared to NASR insurance.

For further details see the August Newsletter or log on to www.minisprint.net Remember all applications need to be sent via the club licensing secretary so that he can authenticate club membership. Please contact

Rumour File

Is there a new Pink Panther,
or are there two Pink Panthers?

Has the Sprintcar of one of our recent Victorian
Title holders suddenly shrunk?

You teach the maths, sixty two minus one does
not equal eight, or does it?
