

MELBOURNE MINI SPRINTS IN ASSOCIATION WITH NYORA RACEWAY PRESENT

# **LIGHTNING SPRINT GEOFF MOULE MEMORIAL**

**NYORA SPEEDBOWL  
20 MARCH 2010**

**For those of you who didn't know him, Geoff Moule along with his son Tony, virtually built the class into what we have today, being the main instigators in transforming the mini mod as they were originally known, into the sophisticated racing machines we all know and love presently. Geoff himself raced from the early 90's up until 98 enjoying many wins along the way including a victory in his very first race meeting that was a feature event itself, the Franklin memorial. Geoff was also a very active and dedicated club person that could never do enough to help out, often seen hiding behind a BBQ turning sausages to charcoal with a cheeky grin on his face and a can of coke in his hand. Geoff was also very passionate about the Nyora Club/track as it was only a short drive from his house and where his interest in the sport was generated. Sadly, Geoff passed away late last year after a short struggle with cancer and so, in his honour, for the work he had done for our class, our club, the Nyora club, and speedway in general there will be an annual race in his name at the Nyora Speedbowl. I ask all of you to make a special effort to attend and support this race meeting as a mark of respect and a tribute to a very good friend, and a damn good bloke.**
